

# StarDental® Instruments

A DentalEZ® Integrated Solutions Brand

## Low-Speed Handpieces: Compliant with CDC Guidelines

*Piece of mind from StarDental®*

Many dental procedures and instruments require specific processes designed to prevent the transmission of bloodborne pathogens among health care personnel and patients.

StarDental provides the proper maintenance and sterilization procedures for keeping your StarDental handpieces compliant with today's CDC guidelines.

*For information on infection & control in dental settings, go to the CDC web site:  
[www.cdc.gov/oralhealth/infectioncontrol/index.html](http://www.cdc.gov/oralhealth/infectioncontrol/index.html)*

*More information on StarDental Low-Speed Handpieces is available on our website,
