Affordable Excellence

Forest knows dentists fundamentally appreciate the value of many details done well and so do we. Our equipment is engineered with the highest quality materials so get the most from your investment, all for an affordable price.

Designer Friendly®

Customize your equipment in Forest’s exclusive Designer Friendly® finishes for a look that not only reflects your style, but catches the eye of your patients. Your equipment should be more than functional, it should elevate the value of your practice.
Let's Dance.
What Exactly is Designer Friendly®?

Designer Friendly® is Patient Friendly. It is being able to choose from a palette of nine beautiful paint colors including the industry standard white, three carbon fiber look trim pieces and chrome accents.

Your chair, light and delivery systems can now enhance your interior design. Our exclusive Designer Friendly® makes dental equipment fun to look at.

Forest is the Only North American Dental Equipment Manufacturer with a WOW Factor.
The Forest catalog is organized into three sections:

Section 1

Chair Mounted Deliveries & Options

Modular Chair Mounted Delivery Configurations

Use this section of the catalog to “custom” configure a chair mounted delivery package to your specifications. The product is designed to be “modular” starting with a chair simply add all desired products such as delivery control head, handpiece tubings, ancillary products, operatory lighting, monitor mounts, assistant's instrumentation or cuspidors.

- operatory chair
- chair mounted delivery control head
- pivot or fixed configurations, cuspidors & assistant's instrumentation
- chair mounted operatory lights
- chair mounted monitor mounts
### Section 2

**Pre-Configured Chair Mounted Packages**

Forest has configured seven packages based on the most popular combinations of equipment with our pure white or Designer Friendly® color choice selections.

### Section 3

**7000 Series Rear Mount Side Delivery**
Step One

Select A Patient Chair

Choose options for the selected patient chair

3900 Patient Chair

Step Two

Select a Delivery Control Head

Choose desired handpiece tubing positioning & ancillary products such as electric micromotors, scalers, swivel trays or other options
Step Three

Select One of Two Mounting Options

Deliveries can be mounted on a chair with a left-to-right pivot mount or a fixed sidebox mount.

Step Four

Select Compatible Instrumentation & Cuspidors

Choose the assistant’s instrumentation, cuspidors or related ancillary products.

Step Five

Select Chair Mounted Lights or Monitor Display Mounts

Each light or monitor display requires a mounting arm; additionally the operatory light will require a power source if the 250 watt power supply was not selected in step two.
### Standard Features
- Ultraleather® upholstery with wide back for elbow support
- Double articulating pinch-style headrest
- Thin back with full lumbar support
- Right/left patient access
- Swing-down locking armrests
- Hydraulic cantilever mechanism
- Emergency shut-off
- 30 degree base rotation with lock
- Multifunction foot switch w/4 programmable preset positions, accommodates 3 additional controls
- Seat height: minimum 17" maximum 29"
- 220 Volt

Forest Dental Control Heads

Standard IC Control Head

- Material: Aluminum hinged lid / 1/8" ABS plastic chassis with super tough DR acrylic protective coating
- Benefit: Hinge allows quick access to controls & ancillary products / lid & chassis are resistant to UV, impact / aluminum lid is strong & lightweight
- Material: Electroless nickel plated brass air & water T’s, routing valves, pneumatic control & distribution blocks
- Benefit: Lifetime warranty on all parts “under the hood” (on all Forest control heads (Max. 20 years) / trouble free handpiece operation
- Material: Aluminum handpiece holder bar with glass filled nylon injection molded handpiece holders
- Benefit: Allows for up to four handpiece positions, a syringe & ancillary touch pad at your desired angle & spacing
- Material: Hinged aluminum control head lid
- Benefit: Available in nine two-coat powder coat paint colors
- Material: Plastic chassis
- Benefit: Available in three carbon fiber look & two solid color finishes
Euro Control Head

- Material: Whip arms rotate on nylon wheels with aluminum & brass components
- Benefit: Feather-touch whip movement / ultra light handpiece feel / long, trouble free life

- Material: Control head swivels at its center point
- Benefit: 240-degrees of control head rotation allows for beside or over-the-patient placement

- Material: Forward mounted aluminum whip arm system
- Benefit: Allows for greater reach of handpiece & syringe expanding control head placement options

- Material: Plastic control head lid
- Benefit: Available in three carbon fiber looks & two solid color finishes

- Feature: Autoclavable silicone handpiece pad available in black & white
- Benefit: Blends with Designer Friendly® choices
Delivery Control Heads

Section 3 Customization

Step One
Select Model & Mounting Position
(if multiple mounting configurations are applicable)

Step Two
Select Surface Treatment Options
(powder coat or solid surface)

Step Three
Select Handpieces,
Ancillary Products & Positioning

Step Four
Select Optional Upgrades
Good Thinking
(low profile 1/2" hardened steel mount leaves room for your stool casters)

Start With A Strong Foundation
- 3/4" hardened steel 11"x 14 1/2" (pre-installed) mounting plate that bolts to the bottom of your counter top
- the 6"x 6" leveling plate is next, then a set of needle roller bearings with friction adjustment
- a super strong 2 1/2" steel tube scissor arm assembly
- needle roller bearings are used where the two arm sections pivot

* shown with optional storage organizer, tray, additional assistant’s holder bar and touchpad
7000 Series: Rear Mount, Side Delivery

Model 7000INT-DURR $8,770
*Add Durr Vacuum Upgrade:

Model 7000INT $8,270

Beneath Counter Mount 7000-999-BC
Under Cabinet Mount 7000-999-UC
Wall Mount 7000-999-WM

Standard Features

Duo Swing Delivery Head 7000 Series

Duo control
- automatic control w/lockout feature for three handpieces
- asepsis 3-way air water syringe w/tubing, 5’
- handpiece tubings factory installed at 4’ (tubing is sold separately)
- pneumatic master control block w/diaphragm
- master on/off
- individual handpiece pressure adjustment
- individual water coolant adjustment
- non-retraction water coolant
- air coolant adjustment
- self-contained clean water system, single bottle 1.5 liter
- quick disconnect for water bottle
- wet/dry foot control

Height adjustable work surface, 5”

Central vacuum accessory package
- asepsis 3-way air/water syringe w/tubing, 5’
- autoclavable standard HVE lever valve w/tubing, 5’
- autoclavable saliva ejector lever valve w/tubing, 5’

Assistant’s quad holder assembly
Solid work surface, 19” x 24”
Universal heavy duty mounting plate
- 11” x 14 ½”, beneath counter (7000-999-BC)
Wall mount panel 16” x 18” (7000-999-WM)
Air pressure regulator w/filter
Master air shut-off valve
Umbilical, 7’

Meganite®
DENTALEZ and its employees are proud of the products we provide to the dental community. We stand behind these products with a warranty against defects in material and workmanship as provided below.

In the event that you experience difficulty with the application or operation of any of our products, please contact our technical service department at our expense at (800)423-3555.

If we cannot resolve the issue by telephone, we will arrange for a representative to contact you or suggest that the product be repaired by a dealer service technician.

If product return is required, we will provide you with a Return Authorization number and shipping instructions to return the product to the proper facility. If the product is under warranty we will ask you to provide proof of purchase such as a copy of your invoice. Please be sure to include the Return Authorization number on the package you are returning. It is the responsibility of the purchaser/end user to immediately cease using the product upon discovery that the product is not in proper working order and to dispose of any defective product that is not returned to DENTALEZ.

Freight costs for product returns are the responsibility of the customer. Products under warranty will be repaired or replaced, at our sole discretion, and returned at our expense. We are not responsible for shipping damages. We will, however, help you file a claim with the freight carrier.

DENTALEZ warrants all equipment and parts to be free of defects in material and workmanship, under normal usage, under the following terms:

**Limited Warranty Period**

Please note the following additional terms of our warranty and return policy:

- This warranty covers manufacturing defects only and does not cover defects resulting from abuse, accidents, misuse, improper handling, cleaning, care or maintenance. Damage, including, without limitation, discoloration of upholstery, resulting from contact, such as dye transfer, from garments worn by dental staff/team, the use of chemicals, cleaners, disinfectants or sterilization is not covered under this warranty nor is normal wear and tear. Failure to follow or observe our operating/use, maintenance and/or installation instructions voids this warranty as does the use of non-authorized parts and repairs made by an unauthorized repair facility.
- **Liability is limited to repair or replacement of the defective part(s) or products at our sole discretion. All other liabilities, in particular liability for damages, including, without limitation, special, exemplary, consequential or incidental damages are excluded.**
- **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO EMPLOYEE, REPRESENTATIVE OR DEALER IS AUTHORIZED TO CHANGE THIS WARRANTY IN ANY WAY OR TO GRANT ANY OTHER WARRANTY.**

**CANCELLATION POLICY:**

Standard orders: Written cancellation request required within 3 days of order entry date, otherwise a 25% restock fee will be charged.

 Expedited ship date requests are non-cancellable.

**CUSTOM ORDERS:**

- Custom configurations are those that deviate from Forest’s published product offering; these orders are non-cancellable and non-returnable.
- May be subject to an additional “Deviation” charge and/or a non-refundable engineering charge.
- Custom powder coat, custom plastic surface treatments and/or custom treatments such as multiple color combinations or custom colors may result in an upcharge of 10-15% per model and are non-cancellable and non-returnable.

**WARRANTY REPLACEMENTS:**

Parts replaced on a product that is in warranty will be warranted for the duration of that product’s original warranty

**PRODUCT RETURN:**

Opened products or product returns more than a year old cannot be returned for credit. There will be a 25% ($25.00 minimum) restocking charge on all items authorized for return.

**NOTES:**

*See individual Product Manuals for complete warranty details. Provided conditions defined in instruction manual are met.
